

HEAVY DUTY TOP AND BOTTOM FEED LOCKSTITCH SEWING MACHINE SERIES(LONG ARM TYPE)
SW0303L-3-D3

green circulate mini oil lubrication technology, power saving,
 clean and environmental protection

HEAVY DUTY TOP AND BOTTOM FEED LOCKSTITCH SEWING MACHINE SERIES(LONG ARM TYPE)

Adapted mini oil machine head to avoid oil leakage.
 Adapted build in direct drive servo motor, achieve fast start and precise sewing.

SW0303L-3-D3

HEAVY DUTY TOP AND BOTTOM FEED LOCKSTITCH SEWING MACHINE

HEVY DUTY SERIES

- Auto trimmer, auto reverse
- optimization program design, puncture of ability is more powerful
- Direct drive servo motor, save power up to 40%
- Suitable for leather and other heavy material
- Prevent off-line function
- Bigger hand wheel design, easy to operate
- Automatic device, easy operation
- Swing axis plating, prevent rusting
