A combination of continuous sewing and cycling sewing
achieve perfect combination of high quality and efficiency.

SW5780AS

HIGH-SPEED COMPUTERIZED LOCKSTITCH BUTTONHOLING SEWING MACHINE

SPECIAL FUNCTION SERIES

-  Multifunctional color LCD touch screen operation panel
-  Intelligent closed-loop control system
-  Intelligent multiple knife dropping function
-  6 stepping motors to realize automatic operation
-  Unique electronic thread clamp mechanism
-  Variety kinds of patterns, with patterns memory function
-  With basting sewing and joint close combination key function

0.1mm
Closed-loop makes accurate control and
magnificent pattern 0.1mm accurate controlled

Superior operability platform

Precise and beautiful patterns

						Bartack width
SW5780AS	DPX5(11#)11#~14#	4,200(rpm)	(Max)17mm	Shirts, Lady clothing, Overalls and other cotton materials	(Max)120mm	(Standard)5mm
SW5780AK	DPX5(11#)11#~14#	4,200(rpm)	(Max)17mm	T-Shirt, Polo Shirt and other knitted cotton materials	(Max)120mm	(Standard)5mm
SW5780AL	DPX5(11#)11#~14#	4,200(rpm)	(Max)17mm	Shirts, Lady clothing, Overalls and other cotton materials	(Max)120mm	(Standard)5mm

Knife size	6.4~31.8mm (1/4" ~11/4")	Knife drive mode	Driven by stepping motor	Standard pattern number	30 patterns
Storage	Max. 99 patterns	Auto-presser foot lifter Needle, feeding drive mode	Driven by stepping motor	Power consumption	Single phase 220V-240V/600VA
